Brand New Book ***** Print on Demand *****.2011 Amazon Breakthrough Novel Award (ABNA); Semi-Finalist Updated and Revised 2013 Dagney Hamilton, a pharmaceutical scientist, leads a team of researchers working to create a promising new drug therapy to stem the mounting tide of obesity. When her employer, in a sudden and unexplained announcement, cancels the project, she suspects foul play and finds herself swept up in a tornado of powerful, unseen forces. A rash of mysterious, but seemingly unrelated, deaths of those associated with the project soon follows. With billions of dollars and a presidential re-election at stake, big business, big politics, and big money will stop at nothing-including murder-to protect their interests. As a decorated police detective in a prior career, Dagney cannot be bribed, threatened or intimidated into silence or submission. Now, she must face her fears and her past as she gathers the courage to confront the people who want her dead. Dagney and her wisecracking detective buddy, Mark Stone, join forces with attorney Wendy Rothstein in a campaign against greed, corruption, and illicit influence. Together they must solve the mystery of why...
