Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

My children loved them. It makes learning fun. In this, the fifth book in her popular Psalm Stories group of The Five Minute Bible Story Series, Sheila Deeth picks up where the previous volume left off. Like the first book, it contains another 50 delightful Five-Minute Psalm Stories, one for each Psalm. Every story begins with a Biblical reference followed by an engaging and insightful question to draw the reader in. Each short story illustrates a moral lesson, provides an observation or comment, plus a short, meditative prayer to wrap things up. Just the right length for naptime or bedtime reading, they're neither too long nor too short, but just the right size! Your children will beg to hear, just one more.
