Reviews

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.

DK Publishing (Dorling Kindersley), United States, 2013. Paperback. Book Condition: New. Workbook. 274 x 211 mm. Language: English . Brand New Book. Young learners learn best when activities last five to ten minutes, before they drift off-task. The 10 Minutes a Day series takes this research to heart, providing quick math exercises for children perfect for those time-to-fill moments at home, and based on one of the best and most effective learning strategies: little and often. Each book includes a ten-minute timer, beat the clock exercises, and easily photocopied pages, as well as tips, guidance, and answers for parents. In order to align with the Common Core State Standards, in 10 Minutes a Day: Math Kindergarten children can practice addition and subtraction, analyze, compare, and create shapes, count the number of objects in a category and more to build math skills.
