Fonthill Media. Paperback. Book Condition: new. BRAND NEW, British Trolleybuses in Colour: The Last Decade: 1961-1972, John Bishop, Malcolm Keeping, The Last Decade of British Trolleybuses in Colour covers the general demise of the British trolleybus from 1961 to 1972 when the last Bradford trolleybus entered the Thornbury Works for the final time on 26 March 1972. Gripped by a fascination of trolleybuses, John Bishop and Malcolm Keeping decided to capture the vehicles on both cine-film and colour transparencies. Having seen the demise of their 'home town trolleybuses', both authors travelled the country photographing the remaining trolleybus systems, including the capital cities of Belfast, Cardiff, Glasgow and London. The photographs not only capture the vast array of colours of the vehicles, but the changing scene of the so called 'Swinging Sixties' when attitudes relaxed dramatically. Since these colourful days, the scene has changed even more so when the local government in the Seventies altered municipal operations becoming companies and many changed names or disappeared altogether. Therefore, this book records far more than just the demise of the trolleybuses, but changes in society as well.
