Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.When longtime gay couple Jake and Kelly vowed to live out loud together forever, they didn't mean with decibel-defying shrieks and banging heads. However, raising Jake's autistic nephew, Chance, throws a maddening monkey wrench into their perfectly appointed life. Can the three come together under one little roof as a thoroughly modern family, even in the face of unbridled, unimaginable chaos? **Second Chance: Book One in the Jake and Kelly Series** is the hilarious, heartwarming novel about an altogether different sort of domestic partnership between two committed men and a confounding new addition to the house. After creating a world that is the paragon of peaceful living, Jake and Kelly must now grapple with a new order in the form of a terrifying, tiny child who spins, rocks, and wakes up throughout the night. Not only that, but Chance also demonstrates a head-scratching devotion to a televangelist named Sister Opal and meticulously lines up shoes and Mr. Potato Heads. After first abandoning her son with his father, Chance's mother, Crystal, has chosen to again wriggle loose of a maternal bond. This time, she elects instead to follow her bliss with Desert Wind, a hallucinogen-hopped-up shaman. Regardless, this Don Juan wannabe inspires an enthusiasm in Crystal that threatens to upend everything she knows. For one thing, the path to greater enlightenment will not accommodate her four-year-old son, who winds up in the care of her brother Jake and his partner, Kelly. How do you coerce a pint-sized child to sample something other than the likes of potato chips? How can you create a dialogue with someone whose favorite spoken phrase is *For Christ's sake, Anne...*
