BRAND NEW, Days of Hunger, Days of Chaos: The Coming Great Food Shortages in America, Texe Marrs, Here are just some of the probing questions this groundbreaking book answers in its investigation into the coming, great food crisis: Does the Illuminati's Rockefeller Foundation now control the seeds of 95 percent of the Earth's major cereal crops-wheat, barley, and corn? (page 69); Is there a "Global Seeds Conspiracy" to place total ownership of the world's seeds-and ultimately the survival of mankind itself-in the hands of an elite cartel of multinational corporations? (page 83); Are pre-planned and contrived food shortages on the way, with small farmers being purposely driven out of business? Will a starving and desperate American populace be left begging for federal government "saviors" to solve the crisis? (page 13); What little known federal law makes it a heinous crime, punishable by imprisonment, for American citizens to hoard food, water, or fuels? (page 190); Will anger and chaos soon grip the world as desperately hungry masses of people panic, riot and storm grocery stores and supermarkets, only to find shelves cleaned out and empty?
