

## SOS Gardening: Prepping Your Survival Garden for Disasters (Paperback)

---

By Shawn Konecni, Cory McClinton

Breakout Concepts LLC, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Covers chemicals, infestation, pathogens, radiation, looting, vandalism, floods, drought, erosion, wind, extreme cold, volcanic ash, fires, and more! Food is one resource that many of us take for granted. Unfortunately, as modern society evolves, we face a number of potential threats to our food supply, making reliable access to food anything but guaranteed. Over the years, we have developed a false sense of security. To be truly prepared for any disaster in an uncertain future, we must be able to grow our own food. However, it is not enough to simply grow a garden for self-sufficiency while under peaceful conditions. Any garden utilized for food production must also be resilient to challenges we face in times of crisis. Whether you refer to yourself as a prepper, survivalist, gardener, or homesteader, this book will enable you to achieve the following: Learn why everyone's food security is at risk and why we all need to do more to prepare Apply the techniques of risk management to survival gardening to increase your odds of success Increase the survivability of...
