TEN LETTERS TO OBAMA

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 114 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. For over a century, the entire world has been fully enshrouded with mans mental acquisitiveness, newfangled hypothesis, and unexplainable apologues, governing the things that actually transpires behind the walls of the White House, and behind the mindset of the President of the United States of America. The worlds avid curiosity and educible reconnaissance to know how the President of the United States of America musters the obvious ingenuity and the equanimity to indirectly govern the world, and directly govern the U. S, is quite understandable. Inquiring minds are always eager to comprehend who or what influences, and drives the governance skills and decisions of the U. But in 2009 when Barack Obama became the 44th President of the United States , he allowed the world to understand for the first time, that it is the ordinary American citizen and the ordinary world citizen who serves as the main influencers of many decisions made by the U. S Government. And those influencing factors are derived from the simple lines of the many letters that are addressed to the President every single day, by the ordinary man and woman who had took the time off to walk over to the post office, so that their thoughts can be known. In this book, Notable author, Dennis E. Adonis, tells a chronological story that trails on an actual...
