Outskirts Press. Paperback. Book Condition: New. Paperback. 230 pages. Dimensions: 9.0in. x 5.9in. x 0.8in. The Cloudy Corners of Creation is an introduction for many who are unaware of the paranormal subculture in the world. Because I have been a pastor for over twenty years, it is especially pertinent to followers of Jesus who are not very aware of this subculture, but it is not too religious for anyone who may also seek to be aware of this paranormal subculture. These kinds of things have fascinated me my entire life and I am not a young man. As a follower of Jesus, I thought most of what was in the world could be stretched to merge into the Bible somehow, with a few details that don't fit, knowing that of course the Bible does not mention so many things in the world. I have not been able to do that. Christendom has taught a closed system—there is God, Satan, the Bible, and everything one might experience can be explained from these and, if not, they do not need to know about it anyway. But if we as followers of Jesus believe that all truth is God's truth, whether we find it in the Bible, or in creation, or even in human experience, then we should note these experiences and try to relate to them and explain them the best we can. This book is my attempt to explain what I do not understand. I am not attempting to judge any of the people, places, or phenomena that I list here. I have left that task of discernment to the reader. I have divided the material into four sections and each section has several chapters. Part I is entitled Just Beyond the Veil. Here, it is my goal to show two things....
