

Money and More: The Quest for Generous Living (Paperback)

Filesize: 4.89 MB

Reviews

Very useful to any or all group of men and women. It is written in basic words instead of difficult to understand. I realized this ebook from my i and dad recommended this publication to understand.

Guardian Books, United States, 2007. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.If you find yourself interested in money, you re in good company because Jesus was too-and still is. In fact one-sixth of the gospels and one-third of the parables deal with the critical area of stewardship. Money More: The Quest for Generous Living explores a portion of these key encounters and teachings. But it doesn t stop there. The author taps into other sections of the Old and New Testaments to reveal Divine counsel on a subject that has occupied people s time and attention throughout the centuries. God provides three ways for us to invest in eternity-with our time, talents and treasures. The way we share our treasures is the driving force behind this book. Liberation begins when we realize God is the owner and we are the stewards. How we choose to handle what He so graciously provides has a major impact on the quality of life we can anticipate. Some choose to hoard their money, thus missing the blessings that could be theirs by sharing their resources and giving back a portion of what they ve received to churches and other worthy charitable causes. Others squander their money as fast, some even faster than it comes in, leaving nothing to give. Jesus claim that It is more blessed to give than receive (Acts 20:35) is by no means an empty platitude or shop worn clich . It s a life changing truth that Money More seeks to deliver in a fresh and a new way. Dive in, yet take small bites and chew slowly as you begin your quest into generous living. About the author: Todd Gaddis has been a pastor since 1990 and...
