Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

For much of the 1890s, Allen worked as a private secretary and stationer in several British manufacturing firms. In 1893 Allen moved to London where he met Lily Louisa Oram who he then wed in 1895. In 1898 Allen found an occupation in which he could showcase his spiritual and social interests as a writer for the magazine The Herald of the Golden Age. At this time, Allen entered a creative period where he then published his first book of many books, From Poverty to Power (1901). In 1902 Allen began to publish his own spiritual magazine, The Light of Reason, later retitled The Epoch. In 1902 Allen published his third and most famous book As a Man Thinketh.
