## Herland and Related Writings Broadview Editions

By Charlotte Perkins Gilman

Broadview Press. Paperback. Book Condition: New. Paperback. 275 pages. Dimensions: 8.3in. x 5.5in. x 0.7in. Charlotte Perkins Gilman's provocative utopian novel *Herland*, first published in 1915, tells its story through the observations of three male explorers who discover a land inhabited solely by women; the women reproduce through parthenogenesis (asexual reproduction). Initially skeptical, the explorers come to realize that *Herland* has evolved into an ideal, cooperative, matriarchal society--fertile, peaceful, and clean--by selectively reproducing the women's best attributes. As the explorers study *Herland* culture, they also rethink their own. This edition reproduces the text originally published in *The Forerunner* in 1915, including several passages omitted from other editions. Stories, poetry, and nonfiction writing by Gilman on topics such as birth control, capital punishment, and eugenics provide a rich context for the novel. Materials originally published alongside *Herland* in 1915, many of which have never before been republished, are also included, as is an excerpt from the sequel, *With Her in Ourland*. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
