IVP Books. Paperback. Book Condition: New. Paperback. 32 pages. Dimensions: 7.9in. x 5.3in. x 0.4in. Your mind has a mission. Sometimes it might seem like Christians just want your body to serve or go. Or it might seem like they just want your heart to emot in worship or commit to a cause. But that's not all. God invites us to love him with our minds as well. Being holistic, global Christians means that we need to think well about the world around us. Greg Jao roots our pursuit of the discipleship of the mind in our allegiance to and love for Jesus. Because Jesus is Lord of all, our intellectual engagement is a way we can bring all things under Christ. Jao addresses common myths that result in a passive engagement of our intellect with our faith. He provides key disciplines for Christian discipleship of the mind, how we can love God with our minds in community, obedience and humility. With practical application and formational activities throughout, this guide offers concrete ways to integrate the life of the mind into a life of mission and ministry. The Christian mind is a missional mind. Discover how you can use your mind to extend the glory of God throughout the world. Includes questions for group discussion. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
