Anness Publishing. Board book. Book Condition: new. BRAND NEW, Let's Look and See: My Day, Armadillo, This soft-to-touch first book encourages babies and toddlers to talk, focus, and learn new words. It has been specially designed for young children and parents to enjoy together and has a wipe-clean cover, sturdy board pages, and big, bright photographs. Each page is a delightful child's-eye view of the world, with photo scenes of routines, play and activities - from getting dressed, to meal times, recreation both indoors and out, and finally going to sleep at the end of the day. Fun words complement lively images to encourage the development of early literacy skills. Adults can point to and repeat the simple captions. Thematic links help to reinforce particular words and ideas - to show that apples and bananas are good at snack time, and that we brush our teeth before bedtime. Visually exciting, enjoyable to use and built to last, this is an ideal introduction to the world of books. This play-and-learn book mirrors a young child's day, from getting up to going to bed. It is designed to capture the child's attention with bright images and familiar things that he or she will recognize. What do you need when getting dressed? That's right - your shoes! Facing pages are thematically linked to highlight certain details. What do you eat with a bowl and spoon? That's right - breakfast! Let's play with toys! After a bath, there's just time for a cuddle before good night! This chunky boardbook will bring a smile to any little one's face.
