Reviews

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

ROWMAN LITTLEFIELD, United States, 2010. Hardback. Book Condition: New. 175 x 152 mm. Language: English . Brand New Book. This collection of more than 1,001 quotes from the world's best teachers is the perfect gift for those who have chosen the noblest of professions. Sage advice and inspiration abound in equal measure throughout-both from teachers in the strict sense of the word and from writers, scholars, and public figures who have had teachable moments of their own. The quotes are organized around the day-to-day concerns of the classroom teacher: how to stay in it for the long haul; how to invoke the love for learning; how to deal with the hard issues, such as behavior challenges and politics; how to stay current and creative; the proper role of the teacher; educational philosophies; and more. 1001 Smartest Things Teachers Ever Said is a wonderful source of inspiration for all teachers! I'm not trying to create a spark-I'm trying to start an out-of-control forest fire of learning. -Eric Langhorst, Missouri Teacher of the Year If you have a child's heart, you have his head. -Flip Flippen, of the Capturing Kids Hearts program A teacher has two jobs; fill young minds with knowledge, yes, but more important, give those minds a compass so that that knowledge doesn't go to waste. -Olympia Dukakis, as Helen Jacobs in Mr. Holland's Opus (1995) Think well and do good. -John Delap, principal at Fayetteville High School.
