General Accounting Office, 2004 OCLC Number: (OCoLC)55142569 Subject: International broadcasting -- United States. Excerpt: . . . In our September 2000 report, we cited the Boards concerns about Review of Overlapping overlapping language services and its plans to address this issue in Language Services subsequent iterations of the language service review process. In our July Implemented 2003 report we again raised the issue of language service overlap and content duplication between VOA and the surrogates. We also noted that while the Boards strategic plan identified overlap as a challenge, it failed to answer questions about when it is appropriate to broadcast VOA and surrogate programming in the same language. Another approach is to simply terminate one or both overlapping services. All of the Boards overlapping services were assessed with these different approaches in mind. As a result of this analysis, the Board identified an estimated 4. 9 million in fiscal year 2004 and 2005 savings from overlap services that could be redirected to higher-priority broadcasting needs, such as expanded Persian language television 13 for Iran and expanded Urdu language radio for Pakistan. Mr. Chairman, the Board has revised its strategic planning and Strategic Planning performance...
