Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.
(Ervin Crona)

ADVENTURE CAPITALIST: THE ULTIMATE ROAD TRIP

Random House Trade Paperbacks. Paperback. Book Condition: New. Paperback. 392 pages. Dimensions: 7.9in. x 5.2in. x 0.9in. Drive . . . and grow rich! The bestselling author of *Investment Biker* is back from the ultimate road trip: a three-year drive around the world that would ultimately set the Guinness record for the longest continuous car journey. In *Adventure Capitalist*, legendary investor Jim Rogers, dubbed the Indiana Jones of finance by Time magazine, proves that the best way to profit from the global situation is to see the world mile by mile. While I have never patronized a prostitute, he writes, I know that one can learn more about a country from speaking to the madam of a brothel or a black marketeer than from meeting a foreign minister. Behind the wheel of a sunburst-yellow, custom-built convertible Mercedes, Rogers and his fiancée, Paige Parker, began their Millennium Adventure on January 1, 1999, from Iceland. They traveled through 116 countries, including many where most have rarely ventured, such as Saudi Arabia, Myanmar, Angola, Sudan, Congo, Colombia, and East Timor. They drove through war zones, deserts, jungles, epidemics, and blizzards. They had many narrow escapes. They camped with nomads and camels in the western Sahara. They ate silkworms, iguanas, snakes, termites, guinea pigs, porcupines, crocodiles, and grasshoppers. Best of all, they saw the real world from the ground up—the only vantage point from which it can be truly understood economically, politically, and socially. Here are just a few of the authors' conclusions: The new commodity bull market has started. The twenty-first century will belong to China. There is a dramatic shortage of women developing in Asia. Pakistan is on the verge of disintegrating. India, like many other large nations, will break into several countries. The Euro is doomed to fail. There are fortunes to be made...
