

30 Thoughts to Ponder: Inspiration Series # 1 (Paperback)

By Eli M Borden Phd

Createspace, United States, 2014. Paperback. Book Condition: New. Wilsie Borden (illustrator). 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.This is volume number five in the thirty inspirational messages based on radio-spots I presented a few years ago. As I place these into e-copies and print, I enjoy thinking about the preparations and broadcasting done around the end of the 20th century and beginning of the 21st. The principles and truths found in the materials are timeless. I hope and pray that my readers benefit from life s lessons displayed in these short messages. I guess one can say these are inspiration messages through ESP - Experience, Scripture, and Prayer. Because of individual differences, each reader will be moved in different ways by my selections, but, once again, my prayer is for blessings to come your way.
