

George Raft (Paperback)

Filesize: 5.85 MB

Reviews

Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.

BEARMANOR MEDIA, United States, 2008. Paperback. Book Condition: New. 224 x 150 mm. Language: English Brand New Book ***** Print on Demand *****.During his lengthy show business career, George Raft achieved the reputation as one of the screen's toughest and most convincing movie mobsters. His roles in Scarface, Each Dawn I Die, Invisible Stripes, Rogue Cop and Some Like it Hot were so convincing that audiences frequently thought they were watching the genuine article. Yet to classify Raft merely as a cinema gangster is to do him a disservice. He delivered equally strong performances in such classics as Night After Night, Bolero, Souls at Sea, Spawn of the North, They Drive by Night and Manpower, his success in these roles quickly establishing him as one of the top box office draws during the 1930s and 40s. But Raft just missed the brass ring of superstardom - due to his notorious friendships with men such as Bugsy Siegel and, more significantly, his famous rejections of films that his rival Humphrey Bogart turned into major triumphs: Dead End, High Sierra and The Maltese Falcon. Written with the generous cooperation of many of Raft's friends and co-workers, George Raft: The Man Who Would Be Bogart details the fascinating life and career highs and lows of a man who created an unforgettable image - onscreen and off.
