Leo Publishing, LLC., United States, 2012. Paperback. Book Condition: New. Marshal Fontaine (illustrator). 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Science Fiction and Adventure: Earth has been found: The Hive is Coming! Suppose the Aztecs or the Incas knew that Cortez or Pizarro was on his way with the Conquistadors. They knew it weeks in advance and instead of welcoming them as gods, they met them with every weapon at their disposal. Don't you think history would have been different? What if we were forewarned that a hostile alien race was about to exterminate us? An unmanned probe intersects the orbit of an alien device that's been spying on us for years, leading to the ominous discovery of an alien fleet on its way to Earth. With three years warning, can we defend ourselves from an invasion by a horrific alien species? It's a race against time as an international alliance prepares for battle against not only enemies from the stars but also here on Earth. Berman's, The Hive, has characters that are well fleshed out and a writing style that takes the reader on a whirlwind ride to the final confrontation between the two races of beings. -Midwest Book Review-.
