Createspace, United States, 2012. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****. We All Die Once is a riveting account of the past, present, and future of American medicine. From prenatal care to the end of life, this book uses history, analysis, and dramatic personal experiences to illustrate every major controversy in the healthcare fight. It outlines roles for law and media which would protect both doctors and patients, while providing patients with accurate, objective information in an atmosphere free...
